

User Group Development

Is your user group as effective as it could be? Does every meeting seem the same? Are you losing steam? What is the way forward?

This **free** away day workshop gives your user group a chance to refresh your service improvement goals. Participants are encouraged to adopt a problem solving approach to address any difficulties within their user group with the focus on moving forwards.

Who is it for?

People living with cancer, carers and health and social care professionals belonging to a **user group** who want to explore what is and isn't working and want to enable their group to move forward.

How long is it?

1-day workshop

What will we get out of it?

The opportunity to revisit and review your user group's ways of working.

How do I find out more?

For more information about how to get your group involved, please contact learning@macmillan.org.uk. Your enquiry will be forwarded to your local Learning and Development team for their attention.
