

## Cancer and Its Treatments

### **Do you want to learn more about cancer and cancer treatment?**

This **free** workshop will help you to increase your knowledge of how cancer develops, the main treatments available and the emotional impact of cancer, so that you can better support others affected by cancer.

### **Who is it for?**

Volunteers and non-medical professionals involved in **information and/or support services** – no previous knowledge of cancer is required.

### **How long is it?**

1-day workshop

### **What will I get out of it?**

Increased knowledge of the nature of cancer and its main treatments and the many issues that impact on people affected by cancer.

### **How do I find out more?**

For more information about how to get involved, please contact [learning@macmillan.org.uk](mailto:learning@macmillan.org.uk). Your enquiry will be forwarded to your local Learning and Development team for their attention.
